# WHAT'S ON THIS EASTER?

Our Holiday Club is based on sports and arts & crafts. We change the activities daily based on the age and number of children. Here are some examples of our activities:

## INFLATABLE FOOTBALL FUN

New to Oakwood, our inflatable football set up includes full pitch, dart board and mega-size goal - not to be missed!

## GLOW SKATE

The only way to make a Roller Disco better is to make it GLOW UP!! Wear white and bright to glow for our awesome GLOW SKATE sessions!

## GLOW DISCO

Time to break out those moves! The GLOW lights are on, the music is up and we're ready for groovy disco games!

## NERF BLAST

We have the camouflage nets, bases, guns, goggles and targets - everything you need for an epic Nerf battle!

## ARTS & CRAFTS

We run arts & crafts sessions throughout every day. These are usually Easter-themed and provide children with something to make and take home.
